

On behalf of the Commanding Officer, I would like to welcome you to the Marine Wing Support Squadron 373 "Aces" family! I'm Jessica Flora and I'm proud to serve as your Family Readiness Officer (FRO). As the FRO, my job is to help provide our Marines, Sailors and families with the resources necessary to meet the unique challenges of military life. I am available to provide official two-way command communication, information and referral services as well as readiness and deployment support. I served in the United States Navy for five years and I understand the challenges that military families face every day. I am committed to supporting the families of this Squadron and ensuring you have the tools you need both while your Marine or Sailor is home or deployed.

Additionally, I would like to extend an invitation to all family members to volunteer in our Family Readiness Program. This is a great way to meet others in the Squadron, welcome new family members, and provide information and referral services to our family members in need. There are many ways for you to become involved in the program, and I encourage everyone to take advantage of these opportunities.

I look forward to meeting you and please don't hesitate to contact me with any questions or concerns.

Sincerely,

Jessica Flora

MWSS-373 Family Readiness Officer
