

## ***Welcome Aboard Message from the MAG-39 Sergeant Major***

Welcome to Marine Corps Air Station Camp Pendleton California, home of the Marine Aircraft Group- 39 the largest MAG in the Marine Corps. We're extremely honored to have you and those with family members, part of our family and team. We hope you find your assignment challenging and rewarding. Our dedication, hard work, and reputation have made us a key part of 3D Marine Aircraft Wing.

Please take a few moments to read the welcome aboard package and feel free to ask any questions. I'm sure our family will be able to answer or point you in the right direction to assist you with your question(s). I encourage you to contact your sponsor at the earliest opportunity to discuss your transfer here at MCAS Camp Pendleton and entertain any concerns you and your family might have. .

The Marines, Sailors, and Civilian Marines are excited and looking forward to you and your family joining the MAG 39 family in accomplishing our mission and taking care of our Marines and Sailors.

Finally, it is essential that you contact this command for any advice and guidance on making your transition to MCAS Camp Pendleton a well planned, safe, and joyous relocation experience for you and your family. God bless and safe travels!
