

Commander's Critical Information Requirements

Commander's Intent

Events listed in this guidance shall result in the notification of the Squadron Sergeant Major, Executive Officer and Commanding Officer.

- **First Available Notification:** *Notify Chain of Command between the hours of 0600 to LPOD/2100, whichever is later.*
- **Immediate Notification:** *Notify immediately, regardless of time.*

CCIRs that require First Available Notification

- Any arrest or Alcohol Related Incident (ARI) of a VMM-163 squadron member when the media or significant discredit of the unit is not involved (minor infractions, misdemeanors, DUIs without crashes or other personnel involved).
- Flash Reports to include TFOAs.
- Hospitalization, serious injury, or death of a VMM-163 Marine or Sailor's family member.
- Inability to support approved FRAG or denial of tasked FRAG.
- Any event of a military or political nature, foreign or domestic, that involves VMM-163 personnel, resulting in local/nat'l government reaction, interest or media attention.
- AMSRR report with less than 60% mission capable readiness.

CCIRs that require Immediate Notification

- Any serious injury requiring hospitalization, or loss of life within VMM-163, to include Marines, Sailors, or Civilians.
- Any PEL or unexpected RON of a VMM-163 aircraft.
- Any loss of VMM-163 aircraft/msn critical assets, to include class A/B/C aviation mishaps.
- Any compromise of classified material, information, or KMI equipment.
- Any event that requires notification of MAG-16, 3D MAW, I MEF, or MARFORPAC.
- Any incident that is reportable IAW CMC or HQMC policies.
- Any General or Flag Officer communication.
- Any threat to squadron assets, Marines, Sailors and/or the families of VMM-163.
- Any situation that the SDO deems requires the Commander's immediate attention.
- Any impending or occurring natural disaster that pose a serious threat to life or property.
