Welcome Aboard Message from the HMLA-267 Family Readiness Officer

I would like to take this opportunity to welcome you to Marine Light Attack Helicopter Squadron 267. My name is Ms. Rachael Gurule, and I am the HMLA-267 Family Readiness Officer. I am here to assist you and your family in all areas of morale and readiness while in CONUS and deployed.

The Marine Corps defines “family” as any unit the Marine is born into, sworn into, or married into. So whether you are an active duty member, parent, spouse, child, significant other or an extended family member; please know that we now consider you as part of the Stinger family!

On this webpage there is a Welcome Aboard Package for Camp Pendleton, CA. It provides valuable information that will assist you during your transition and long into your time at Camp Pendleton.

It is my goal to provide you with resources, information and timely communication from the Command. These tools will assist you in navigating the unique challenges that face all military families, and by working together we can help you to become strong and resilient.

If you require any additional resources, please don't hesitate to contact me. I can be reached at Rachael.Gurule@usmc.mil and also by telephone on (858) 603-8280.

Best wishes with your move, and I look forward to meeting you upon your arrival.

Welcome Aboard Message from the HMLA-267 Sergeant Major

Greetings and welcome to the “Stinger” family! As you will quickly discover, HMLA-267 is the largest light attack/utility helicopter squadron within Marine Aircraft Group-39 and in my opinion, the finest group of professionals within the entire Marine Corps. Our focus on world class training and a sincere commitment to our Marines, Sailors and families, is second to none.

All Marines, regardless of their military occupational specialty, will feel a deep sense of pride knowing that they are significantly contributing to our Nations victory in the Long War. Within a typical 36 month tour of duty, you can expect to operate in many diverse and demanding environments. Most Marines will have the opportunity to serve both at sea while onboard Amphibious Assault Ships as well as on foreign shores within the Western Pacific area of responsibility. There are no shortages of adventure!

As the Squadron Sergeant Major, I am committed to your personal and professional development in addition to the welfare of your dependents. I subscribe to the philosophy that if your families are taken care of, then you can devote your productive energy into learning, mastering and executing your skill set. Just so there is no misunderstanding, I will expect your very best effort each and every day. With our dynamic deployment schedules, we can ill afford to have a member of the “Stinger” family who is unwilling to pull their share of the workload. In return for your hard work, you can expect this command to create a professional climate that will encourage initiative, foster professional development and lead to a strong sense of mission accomplishment and job satisfaction. The commitment between all members of the Squadron enables us to stand behind our motto of Any Time, Any Where!!!

Temporary Lodging Facilities offer short-term housing accommodations for military members, their families, and guests. The mission of the Temporary Lodging Facility is to provide quality accommodations at a reasonable price. This program operates with centralized policy development and guidance from Headquarters. Control of everyday operational functions is decentralized and handled by each MCCS activity. Purchasing decisions are made at each command, with few items centrally procured.

View TLF Directory and find out more about staying in a TLF.

Temporary government quarters are not available.

For more information, call (760) 725-5304/5194 and fax (760) 725-5609.

Lounging on the beaches of Hawaii, skiing through fresh powder at Big Bear Resort in California or watching the sun set over the Pacific Ocean from the porch of a storybook cottage are all possible for Marines and their families.
